

NEW SERVICE ALERT!!

Shockwave Therapy

New Breakthrough Chronic pain Therapy

We have partnered with Shockwave Centers of America to take down Chronic pain!

We are so excited to add this new technology to our practice. It is our mission to continue to learn new ways to help our patients achieve incredible healing results in our practice. With the new Shockwave therapy program we can continue to help resolve more musculoskeletal issues, NATURALLY!

We are already booking new trial appointments, give the office a call to schedule with us and see if Shockwave therapy might be good for you!

Shockwave Therapy

Using acoustic wave technology, we can break down scar tissue, release healing factors and repair even the longest standing injured tissue. The treatment is quick, non-invasive and comfortable.

Chronic pain

Chronic pain affects over 40% of the population here in the US. Shockwave therapy is at the forefront of treating chronic pain without drugs, injections or surgery. If you have been recommended any of those options we implore you to try Shockwave first!
